Jeff,

The attached Excel file contains detailed cost estimates for Directives 1 (Gauging and Sampling) and 2 (VPBs and Well Installation).

In our teleconference, the estimated costs discussed for the other Directives were: \$250,000 to \$400,000 for Directive 3 (Aquifer Testing), \$500,000 per test (2 tests) for Directive 4 (In-Well Vapor Stripping Pilot Testing), and \$250,000 for Directive 5 (ISCO Pilot Testing).
